

Fferm Wynt Gaerwen / Gaerwen Wind Farm

Mae Cyngor Cymuned Llandderfel yn ceisio ymestyn allan i'r trigolion lleol i ddsbarthu gwybodaeth maent wedi ei dderbyn ynglŷn â phrosiect Fferm Wynt Gaerwen. Rydym yn anfon atoch gan ein bod wedi cael ein cyngori eich bod yn ysgrifennydd i neuadd neu fudiad lleol ac yn gobeithio y bydd modd i chwi basio'r wybodaeth yma ymlaen i'ch aelodau neu i unrhyw gyswllt arall. Gan fod ardal y cyngor cymuned mor eang rydym yn ddiolchgar o unrhyw gymorth i wneud hyn.

Manylion y prosiect:-

Er i RWE, y datblygwyr, fod mewn cysylltiad â'r cyngor cymuned, ychydig iawn o wybodaeth oeddem wedi ei dderbyn, nid oeddynt yn gallu cadarnhau'r nifer, ei maint, nai'i lleoliad! Wedi iddo ddod i'r amlwg fod gwybodaeth am y prosiect ar gael ar y we, cysylltwyd â RWE a derbyniwyd y linc isod i'w ddsbarthu.

Barn y cyhoedd

Mae croeso i unrhyw un anfon eu sylwadau i'r cyngor fel ei bod yn cael ei ystyried pan fydd angen trafod a rhoi barn swyddogol. Mae bosib gwneud hyn wrth anfon llythyr i Gyngor Cymuned Llandderfel, Hafod y Bryn, Cwmtirmynach, Y Bala, Gwynedd. LL23 7ED neu drwy ebost i ccllandderfel@gmail.com

Llandderfel Community Council is trying to reach out to the local residents to distribute information they have received regarding the Gaerwen Wind Farm project. We are contacting you as we have been advised that you are the secretary of a local community hall or organization and hope that you will be able to pass this information on to your members or to any other contact. As the community council area is so extensive, we are grateful for any help to do this.

Project details:-

Although RWE, the developers, were in contact with the community council, we had received very little information, they were unable to confirm the number, their size, or their location! After it became apparent that information about the project was available online we contacted RWE and the link below was received for distribution.
